

ABACUS PublisherTM

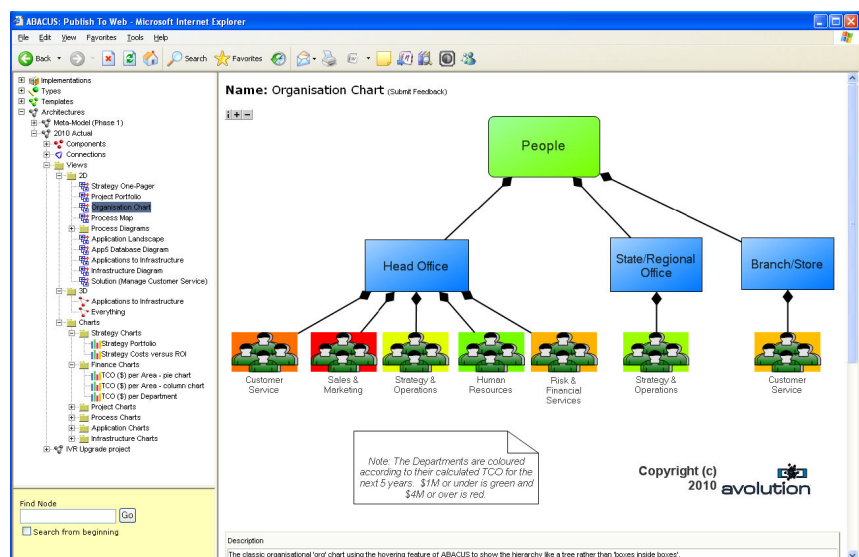

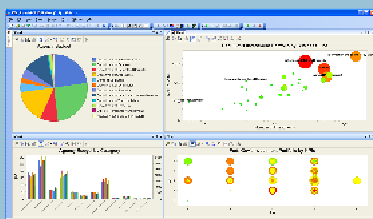

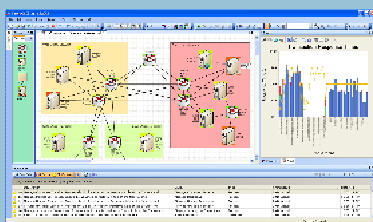

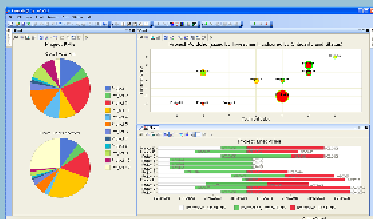

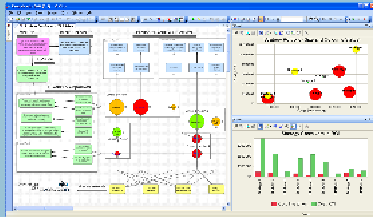

Datasheet

IMPORTANT DECISIONS NEED UNDERSTANDING, AND ABACUS LIGHTS THE WAY.

ABACUS Publisher provides a way to publish entire ABACUS models to a secure website including any 2D diagrams, 3D visualisations, metrics, charts and reports. With **ABACUS Publisher**, documentation can be fully adapted to an enterprise's internal and external communication strategies and formats.

- Fully customisable home pages, style sheets and javascript
- Entire or specific portions of the models can be published
- Links in the models become hyperlinks for easy navigation and impact analysis in the website
- Choices of formats; e.g. SVG, VRML, DirectX

Together with other ABACUS Suite products — **ABACUS Standard**, **ABACUS Professional** and **ABACUS Designer** — **ABACUS Publisher** provides the most flexible and feature-rich enterprise modelling environment on the market today.
